Afternoon Ray,

Many thanks for the information.

I think it would be good to meet on site to discuss our methodology of cutting the lift openings and logistics of keeping lifts operational.

We have an idea of how to do it keeping disruption to a minimum but would need your expertise to confirm if this is possible.

Please let me know if you are available to visit site.

Regards

Morning Ray,

I am in the process of drafting out an order for the lift adaption works required at the above project however I don't believe your company have been set up on our system.

Please find attached our subcontractor questionnaire which we require you to complete in full. Once completed I will send to our H&S department & Finance team for approving.

If you have any queries regarding the above please don't hesitate to contact me.

Regards,

Adam

Hi Adam,

To include for MCD @ 2.5% our price to carry out the works would be £44,313.00 ex. VAT

If you have any questions please do not hesitate to give me a call.

Kind Regards
