Dear Adam,

Re: Grenfell Tower – Lifts H090 & H091 New Landing Entrances

Further to our site meeting, I am pleased to submit our quotation for our engineers to attend site to make safe the lift for your builders to work safely within the lift shaft, we will drive the lift car for your builders to install safety protection between the two lift shafts.

I trust this meets with your approval and look forward to hearing from you in due course.

To attend site for one day at the start of the works for each lift
Our price for this would be £1,008.00 ex. VAT

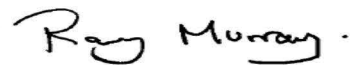

Our proposal is exclusive of value added tax and is subject to our standard terms and conditions.

This quotation is to carry out the works within normal working hours.

As a valued client of *APEX LIFTS*, we endeavour to provide a flexible approach to all your lift requirements.

In the meantime, if *APEX LIFTS* or myself can be of any further assistance, or you would like to know about any of the products or services that we can provide, please do not hesitate to contact me at my office on [REDACTED]

Yours sincerely,

Ray Murray
