Dear Sirs,

**Re: Grenfell Tower – Lifts H090 & H091 New Landing Entrances**

Further to the existing floor designations changing from S, W 1-20 to G, 1-23, I now have pleasure in submitting the following quotation for your consideration.

I trust this meets with your approval and look forward to hearing from you in due course.

To supply and install new engraved landing push faceplates with floor designation engraving to the Ground, 20<sup>th</sup> 21<sup>st</sup>, 22<sup>nd</sup> and 23<sup>rd</sup> floors only.

To supply and install new lift car push buttons with floor designation G, 21, 22 and 23 to the horizontal and vertical car operating panels in each lift car.

To reprogramme the car and landing position indicators to display the new floor designations.

**Our price for this would be £3,643.00 ex. VAT**

**Please note our installation time would increase by 3 days**

Our proposal is exclusive of value added tax and is subject to our standard terms and conditions. This quotation is to carry out the works within normal working hours.

As a valued client of *APEX LIFTS*, we endeavour to provide a flexible approach to all your lift requirements.

In the meantime, if *APEX LIFTS* or myself can be of any further assistance, or you would like to know about any of the products or services that we can provide, please do not hesitate to contact me at my office on [REDACTED].

Yours sincerely,

Ray Murray
