**Subject:** FW: Fire certificates

Hi Warren,

Apologies for not responding earlier to your request for Fire certificates. Unfortunately our records from that time are not clear. We cannot be sure of exactly what we supplied and therefore unable to supply Fire certificates for unknown materials? We no longer have the software to access the drawing files from that time.

Please note we have given the Metropolitan Police full access of our IT systems and all available records.

Once again apologies we can't be of more assistance at this time but please do not hesitate to contact us if needed.

Kind regards,  
Gerry
