Hi Zak,

Thanks for getting back to me.

As you are aware that we are still over budget and therefore any suggestions on savings are welcome!

Thanks.
Chweechen

Hi Chweechen

Our tender bid is based on Metal Technology windows

The sizes of the windows restrict the manufacturers we could use

An area we could look at, which was previously identified by ourselves, is simplifying the arrangement of the windows. Simon will discuss this with Studio E and our Cladding contractor in due course

Regards

Importance: High

Dear Zak,

Can you and Studio E please look at alternative window manufacturers for Grenfell Tower?

We believe that the saving could be quite substantial by changing the window manufacturer.

Please let us know?

Thanks.
Chweechen
