

Philip

Hi. I don't know if you had a chance to have a look at this – but it is highlighting that boiler installation is 4 weeks behind, we have had no report on the M&E from Rydon in their progress reports. Maybe now would be a good time to pick this up?

Ta

Subject: Grenfell Tower site report

Clare,

Please find attached our first site report following our visit on 09-12-14 to meet with Matt and Duncan of Max Fordham.

We will be carrying out a more extensive visit in the New Year when things will have progressed more.

Rydons are currently working on a revised program of works, and we would be grateful of a copy of this when it is issue.

If we can be of further assistance or you have any queries regarding the attached report, then do not hesitate to contact me.

Regards

Tony B
