Peter,

Apologies for the delay in issuing this to you, but it has taken longer than I anticipated to update our status report, following our discussion last week. I am aware that you have a board meeting tomorrow and may not have sufficient time to review what I have written, but in essence, I have taken on board your comments and reworded sections to read in a better light.

I have also attached a further copy of the Near Term Action programme that Philip Booth issued to you 3<sup>rd</sup> June, for reference.

Regards

Simon
