Subject: Grenfell - cladding condition discharge issue

Philip

I have just left a message for Simon as I had a phone call from Amy Peck our planning consultant as a result of her chasing the RBKC planners.

Apparently Claire Shearing has said that the executive director is not happy with the champagne colour and has not signed off the report, he prefers a 'greyer' colour. Claire is now looking through an envelope of samples we left with her and wants to give the director one to look at – so it would be appropriate for someone to ring her and talk her through the arguments etc.

Simon, I think that the planners need some assistance at this stage, I think it may be useful if Bruce could intervene promptly?

Claire Shearing is on [REDACTED]

Thanks

Claire Williams
Project Manager
