12 July 2013

Dear Philip,

Grenfell Tower, Contractor procurement.

I write further to your near term action plan and Grenfell Tower status report V5 received 19 June 2013.

I confirm the TMO's decision based on Appleyards recommendations is to procure a lead contractor via an OJEU procurement route and competitive tender.

Please proceed with the agreed procurement and tasks outlined within your re-mobilisation scope of duties letter dated 28 June 2013, to achieve the issue of an OJEU notice in accordance with your near term action plan by 22 July 2013. (I will write separately to confirm your fee proposals)

Please confirm receipt of this instruction, and advise if there is anything else you require at this stage from the TMO to progress the necessary actions to achieve the 22 July deadline.

I would request that this matter is dealt with in confidence until we are able to confirm to you that Leadbitter's have been informed of our decision to not continue negotiations directly with them.

Yours sincerely,

David Gibson
