Paul and Peter,

Following your meeting with Robert and Simon earlier this week I have marked up the summary report so that we are clear what was agreed as possible omissions from the project to bring it into budget and which additions to be put back in. Please confirm I have interpreted the meeting correctly.

As it stands if all savings are realised and all additions are requested as per my mark up the project is still predicting a construction budget overspend of £190k.

I have highlighted the changes via tracked changes so they are easy to see.

Kind regards

Philip
