Subject: Grenfell Tower Tender Returns

As I am sure you are aware, the tender returns were opened on Friday afternoon. Please see below for a summary of the returns. Bear in mind that the prices are likely to be adjusted as we review and assess the returns, but they give you an idea of where we are at the moment. **Please also note that this information should be treated as confidential.**

- We are now busy checking the quality returns as well as checking that the contractors have priced for everything correctly.

Thanks to all for your help in getting the tender documents together and for responding to the 69 tender queries raised since the site visit (not that I was counting!)

Peter
