Attachments: S160903 Reissue Contract.pdf

Dear Nicolas

Re: Reissue Agrément Certificate 08/4510 Reynobond Architecture Wall Cladding Panels

I have pleasure in enclosing our Contract offer for the above Reissue Certificate.

The fee for the project includes the preparation of your approval and the generation of a high resolution electronic version of the Certificate for printing or upload.

Work will commence when you return the signed contract and payment is received.

Once your Certificate is awarded your company will be subject to audit to confirm the product remains to the specification we have agreed with your supplier and that our logo is being used appropriately. Details on the correct use of the BBA logo can be accessed via our website by selecting ' Technical Guidance' in the menu and then clicking on 'datasheets'.

We can also offer certification to ISO 9001 and ISO 14001. If you are already certified by a UKAS accredited certification body then transferring to the BBA is normally free. Visit www.bbacerts.co.uk for more information on this and all our other services.

I look forward to hearing from you in the near future.

Chris Maxey
