Hi Dan,

Good to speak to you again (as always).

For now here is all of the info that I have on the RS5000 Rainscreen product for use over 18m.

When you have a moment please can you send me across some drawings and an idea of who you would look to use for the supplychain.

Speak again in a couple of weeks.

P.S. is Has the Waylands House ship sailed?

Kind regards,
Jonathan
