Hi Kirsty

Attached is a spreadsheet entitled Cladding compliance tracker.

It lists the four live enquiries we have for RS5000 above 18m.

It's a first draft so please feel free to fill in any gaps as I will when information becomes available.

The idea is to review the sheet once a week between us. I will either update if there is something to report from Frans or review every Monday and send it over to you.

Any new actions are written in red in the comments column.

I've got two main actions with Exova

1. Explore Alucobond cassette for Bishopgate
2. Explore alternative Aluminium cladding types which are fire rated to offer as an alternative for Deptford Wharf.

Feel free to give me a call to discuss or if you feel any other details are required.

Kind regards

**Debbie Berger**
