Subject: Fire Prevention Article

Anthony

Please find attached a draft article for Fire Prevention Magazine on the Part B Forward Look.

As we had discussed this article is written in my name about a BRE project for ODPM.

I will of course be asking our people to check the grammar etc but I do need the OK from you in relation to what I can and can't say. You will notice I have plucked three paragraphs from the exec summary of the forward look report. As this report will be published before long I don't see any reason not to include it but that, of course, is up to you.

This is a real cheek but can you let me know today. Anna Hayes wants the text for the 28th (tomorrow!).

I'm off to pull another wall down now.

Regards
Brian
