Hi Janice

There are a few minor snags outstanding, but nothing to stop Carl's inspection.

Hi Claire

Further to this I had instructed Carl to undertake an FRA at the conclusion of the internal works. We originally said that would be this week. I have now asked him to attend next week and do this and the clubroom – is this ok? Have the internals now been completed?

Please confirm

Thanks

Janice

Hi

Rydon will be leaving site soon. I don't know where the keys are to the new flats, but the rest of the areas are all handed over – apart from flat 6 (formed from the temporary entrance). We are working to a 1 July completion date – which is mostly the externals.

I am off next week, but perhaps you could catch up with Dave Hughes the site manager to see all is well.

Thanks

Good evening Claire

I have not visited the community centre at Grenfell since work has been completed within it, at the time of the fire risk assessment for the residential areas of the tower it was still a building site, I will visit next week if you would like me to and get back to you?

Carl

Carl

Please remind myself and Sharon Baah of the maximum numbers of people who are able to use the community centre at Grenfell.

I suspect I have seen the information, but it is critical for Sharon for the lettings.

Thanks
