**Attachments:** JW13703DN Grenfell Tower - fire strategy.pdf; Grenfell Tower Existing Fire Safety Strategy.pdf

Good morning Carl,

As you maybe aware we are looking to carry major refurbishment and alterations to Grenfell Tower. Part of this work involves development of new residential units, Boxing Club and under 3 Nursery.

We recently engaged Exova to carry out an outline fire safety strategy for the proposed refurbishment of the building, with particular emphasis on means of escape and access and facilities for the fire service.

The attached reports have now been issued to all parties involved with project.

We have very little input or liaison with LFB officers due to their workload and would appreciate your comments on the attached report and to assist in our liaison with LFB.

It would be wise for you to meet with our main contractor, Leadbitter, to discuss their concerns.

Your fees for advisory role to TMO will be submitted to me and if Leadbitter wish to engage you as their advisor it will be an arrangement between yourselves.

Colin,  
Carl Stokes is our Fire Safety Consultant who can be contacted on [REDACTED] or [REDACTED]

Regards  
Paul Dunkerton, Project Manager, Assets & Regeneration Department

Good morning Paul

It was nice to catch up with you on Tuesday, I look forward to receiving the fire strategy document

Carl
