Subject: Grenfell Tower - Gas Reinstatement

Hi Janice,  
As I'm sure you may have heard, the gas supply to Grenfell Tower has been capped to one of the risers by National Grid due to a gas leak.  
Attached are their proposed plans to re-instate the gas to the block.  
We have queried the affects the 'open ended boxing' may have compartmentation of the stairwell/lobby areas and are awaiting response.  
Are there any further question that health and safety or Carl would like answered about the proposal before permission is granted to progress the works?

Kind regards,  
Charlie
