Please find attached Terry Ashton's fee proposal for the provision of fire engineering consultancy services on the above project. The proposal is sent by email only. A paper copy can be provided on request if required.

It is hoped the attached proposal meets your requirements. If you wish to proceed with our services, please complete and return the fee acceptance form enclosed with the proposal, or provide us with your own Order/Purchase Order for the works.

If we can be of any further assistance, please do not hesitate to contact us.

Regards
