Subject: Grenfell Tower Upgrade
Attachments: SK004-Rev00.pdf; Site_Photos-05 small.pdf; Site_Photos-01 small.pdf; Site_Photos-02 small.pdf; Site_Photos-03 small.pdf; Site_Photos-04 small.pdf; 12-009 Grenfell Refurb rev B.pdf

Dear All,

The application for funding for the Grenfell tower upgrade goes before cabinet this evening, with every likelihood the £6m asked for will be agreed.

I anticipate Mark Anderson from the TMO, our client, to quickly follow up with confirmation as to the scope of the project but the principles are probably going to be based on the attached sketch:

1. New flats on vacant Office level (+18.874).
2. Removed stair and infill to SE corner to tower on GF, Mezzanine, Deck and Office levels. Creation of some office space at GF and Mezzanine.
3. Enclosure to external areas at deck level to create new accommodation, possibly housing.
4. Overcladding
5. New boilers to all flats.
6. Reconfigured entrance / circulation areas to tower.

Please could I have your fee proposal for this, based on the above and the attached information?

Please break this down into the Stages C, D, E, F and beyond (if required) and give a summary of what you will be doing at each stage?

Many thanks

Bruce Sounes
