Subject: Grenfell Tower - Local Government strategic support

Good afternoon,

A teleconference has been organised for 17.30 today to discuss the local government ongoing support to the Grenfell Tower Incident. The purpose of the call is to understand the likely support RBK&C will require and how this can be best supported across local government and in particular strategic support to Nicholas. Secondly to consider the wider implications for RBK&C and London, and what initial actions are required.

Dial in details:

Attendees:
Nicholas Holgate
Chris Naylor
John Barradell
John O'Brien
John Hetherington
Mark Sawyer.

Agenda Items:

- Significant changes to the situation overview and pan London coordination structures in place (John Hetherington / Nicholas Holgate)
- Immediate and longer term support requirements for RBK&C (Nicholas Holgate)
- Wider London implications (All)

It is anticipated to take approximately 15 mins for the call.

Many thanks
John
