Hi John I know you must be incredibly busy. My traders would like to show support to the people affected by the tragedy in west London.

Could I ask that someone from your team points us in the right direction so we offer the right support.

Thank you and please dont let this request get in the way of the huge task you have.

Darren

Darren:

Apologies but hopefully Eleanor let you know that I wouldn't be able to make it this morning as I have been involved with the events in Kensington & Chelsea.

Best, John

Dear John

Firstly can I thank you for the support you and the Corporation have been giving us over the last few days has been really helpful, thank you.

I haven't time for formal invites, but it would be lovely if you could join us at 9:30am on Wednesday for the ringing of the market bell at 10am.

If you can make it please come to the Southwark Street entrance (the arch next to padella) at 9:30.

We will be holding a simple event that shows the unity of our market community. We will be saying a few words, taking a time to reflect, then the traders will ring the market bell to start the trading day.

I hope to see you soon.

Darren
