Liaising with Emma. Will confirm arrangements when I have them.

Mark - can Emma speak to you on her way down to get an advanced briefing on her role etc? I suspect she'll want one.

For logging and BECC and you.

I have spoken with Jo Miller, CEX Doncaster Council. She has agreed to send two experienced officers viz housing response to assist teams - will provide advice/practice etc. Will inject into Housing when arrive - details to follow on people when received. Stuart - they have experience during/after Doncaster flooding response that will be helpful.

Can we log and action in due course.
