Subject: 3 Things from DCLG

Toby,

A further 3 things from DCLG.

1. The Fire Minister, Nick Hurd, has raised with us the offer the Post Office have made to issue money to residents from the tower. Can I please have some detail on the logistics and how in theory this will work. How quickly and easily can the PO do this for people with no money?
2. We have heard from some of the residents who spent the night in the rest centre saying how there was very little or in some cases no bedding and pillows. Can you confirm that you have organisations such as the Red Cross and the Samaritans involved and that there will be better sleeping facilities tonight?

3. There is an offer from DCLG press office to support K&C comms teams should they need any support, can you please pass this offer on to them. If they would like to take us up on that offer can you please get them to contact me.

Many thanks,
Phil
