	Overall Assessment (Statement of regional impact on Services and Community)			
<p>All boroughs:</p> <ul style="list-style-type: none"> • At the moment, no major community impact issues, however several boroughs are in the process of carrying out impact assessments. Reports from these will be available later during the day. • All boroughs are dealing with the requests for mutual aid in response to support for the RBKC. They have responded to the LLACC requests or are assessing staff availability at the moment. Reports on further availability will be submitted once assessments are complete. • Several boroughs will be holding GOLD meetings this morning to further assess the situation. 				

Key Points to Note (Relevant issues for LLAG, regional priorities, issues and update on actions)			
Boroughs require information on the following <ul style="list-style-type: none"> • How long (no of days, length of time during the day) will BECCs be required to be open? • Distribution of daily incident COP would be useful to inform senior staff. • How long is mutual aid (provision of staff) to RBKC required? Please confirm beyond Wednesday. • What exactly is required from BECC staff? Do they need to be fully trained or would it be mainly admin support? 			
3	HORIZON SCAN (Issues/consequences which could require regional involvement or strategic direction from LLAG)		
	<i>At the moment, services at all boroughs are operating normal, but if heatwave is prolonged / further incidents / wider impact of 2 current incidents, service resources for own services / mutual aid support might be affected.</i>
