Noted. Will check what they're saying

More generally , can you pl say to John I have deliberately not bothered him , not least because David Bellamy is doing what he does and has been attending the regular meetings on behalf of the Mayor etc. We are providing some on the ground support through a press officer ; and have made a couple of our housing people available to CLG to help them. If John needs any other staff assistance from here – which would be hands to the pump assistance rather than expertise – then get him to let me know and I'll see what I can do to help

Subject: Tower Block list

OJeff,

I am here at Portland House working with John Barradell and the Gold Team.

My media colleague - Rosie Davenport - is saying that GLA Press are saying that the Mayor is saying that the Tower Block list that CLG is producing is going to be given to them by London Councils and published.

As far as we know we won't have the list until CLG issue anything. We certainly don't have one.

Happy to talk on mobile if you need to - either on specific or general re all of this.

John
