**Subject:** FW: FOR ACTION: Teleconfernce for Directors of Adult Social Care

Dear All

For your information, please see the email that was sent to Local Authority Chief Executives.

Further to the earlier email and for clarification the request was meant to confirm availability of Social Care workers at this stage. No one should deploy to RBKC without being explicitly requested to do so. Further clarification on the deployment plan will be provided on the teleconference to brief directors of adults and children's services at 10.00 Sunday.

If you have any questions please let me know

Kind Regards  
Stuart

Dear all

Please see the email below that was sent to all Local Authority Emergency Planning teams with the request that they send it to Directors of Adult Social Services. This is so that directors can dial into a teleconference, chaired by Mary Harpley to discuss the request to provide social care workers in support of the tragedy at Grenfell Towers.

If you have any questions please let me know.

Kind Regards  
Stuart
