Subject: chief building control officer suggestion for mutual aid.

Importance: High

Mark – further to our telephone my suggestion for suitable Chief Building Control Officers to assist with the K&C incident are:

- Harrow – Jim King;
- Lewisham – Thiru Moolan;
- Ealing - Sean Cummings
- Julian Ruaux

Note I have not contacted any of the above to prime them as I do not have their mobile numbers. I am aware that Jim King has already said he is willing to help if needed , but this was advised through a third party.

I will now be leaving the Guildhall to head off home now – hopefully to catch the last train...
If you need any more help call me – any time !

Home number – [REDACTED]

Warm regards

Bill Welch
District Surveyor
