Hi Dawn,
I I have sent a follow up to this saying that the 21st no longer works and the 14th July is our new proposal. Yes, Hydra was the preferred medium at Hendon but the current events may result in an alternative option being better.

Clearly with current events it will be difficult to sit down now to develop but once things settle down we can meet to develop the content.

John Barradell will be keen to hear ASAP that you are able to stand up a large number of MPS Golds to support this and develop direct relationships etc, as this is the primary aim of the session.

Happy to speak with you later this week if it helps.

Mark

Toby, John, Mark

Happy with the 21st, can I check whether this is something we feel needs to be done via Hydra?
Sorry if behind the curve, all a bit manic
Let me know then I can get warning people and venues and we can meet to plan the approach

Thanks
Regards
Dawn

Hi Dawn,
Although not set, we are now working towards the 21st July for the session. I hope to confirm in the next couple of days.

When we last discussed this you mentioned fielding about 3 Commanders. In light of the overarching aim being - to build relationships and trust across the LA cadre and that of MPS Gold Commanders, John Barradell is hopeful you will be able to attend with as many as are available. Hopefully with more notice this will be achievable. I along with John feel this is an opportunity to kick off the arrangement in the best possible way. I hope you agree.

In terms of content, as mentioned previously, this needs to be light touch on process and more on mutual understanding of priorities and challenges. The session needs to work towards an appreciation of the value afforded by the new arrangement and confidence that at the right time the baton can be passed.

We can progress the detail once the date is confirmed but in the mean time, is there anything preventing the 21st July being our target date?

Cheers
Mark
