To see, below, Laura's line on housing support for K & C, which Elly will use with housing colleagues in the boroughs.

Do you anticipate any LLAG calls this morning to coordinate the approach?

Regards

Doug

Hi Doug - I have heard from Laura as expected:

"We have two teams working flat out on a) emergency hotel accommodation, b) auditing offers of more long term accommodation that have been given by HA's and boroughs and then matching when we know who we need to house.

We are working through this and if we need assistance in terms of voids properties we can offer families who have been made homeless as a result of the fire then we will be in touch with boroughs who have offered directly and through London Council's.

We can't say anything further at the present time but will feedback more next week."

Happy to front this message at today's meet and with the GLA.

Best,

Ey

Lly
