All,
 Be aware that London Fire Brigade have declared a major incident in response to a 40 pump fire at a tower block. Details are still being confirmed, however LFB have concerns about the structural integrity of the building. London Resilience have contacted RBKC and left messages for the Duty Officer. A SCG Teleconference has been requested by LFB, and will take place at **05:00**. I am happy to join this call on your behalf if you are not available. (I'll follow this up with a call shortly) to confirm) but dial in details if you are available: [REDACTED]
 Kind regards,
 Matt
