Mark, please can we meet when possible once I'm in. ETA 08.45.

We need to take stock over the next couple of hours and make a plan around our deployment. We don't have a lot of staff to spare and need to make sure we task them to where we can most add benefit. We also need to look at resourcing for the week and contingencies.

Alex has been on all night. Hamish is doing the LRF. So copied to our management team for today.

Thanks

Toby
