Barbara

Please could you confirm the position re housing advisors, so that we can be clear about the requirements with Housing Directors tomorrow.

(I heard mention of 45 advisors having been identified so far).

Presumably there will need to be a significant cadre to allow rotation to provide sustained support.

It would also be useful to clarify the formal route for collation of offers from boroughs inc rehousing – The line last week was that K&C were dealing with this bilaterally, but assume things have moved on.

My understanding is that the LLACC is not actively co-ordinating messages about housing, as this is being collated through the work you are leading.

Thanks

Doug

Hi Doug – has anything further been sent round re the advisors?

I am meeting again with housing directors tomorrow so useful to know –

-Are they any more needed? Did they get 25 or thereabouts after yesterday's communication?

-Are they likely to continue to need this level of support for future weeks? (so we can arrange some kind of rota)

On rehousing / collation of offers from boroughs – has there been any LLAC communication about this?

Keen that the meeting tomorrow is actually useful / plugged in rather than more handwringing.

Best
