Dear John and Mark,  
I hope you are well.

I appreciate the strain you and your team must be under but was hoping we might be able to get a response to the two attached emails sent from the Mayor's Office today.

We have repeatedly tried to get a point of contact within the team on sensitive and urgent issues for example, housing offers from developers in the area, MP and Councillor casework (particularly from residents who are currently homeless) and offers of secondments of GLA staff to fill any gaps.

If it makes it easier myself and Fiona will visit Portland House tomorrow morning – if I don't hear back from you this evening we will head over tomorrow at 09:00.

Many thanks,  
Ellie
