John

In view of the current situation, and particularly the need to keep the Mayor completely up to speed, I am sure it will be useful for us to allocate a lead officer from City Hall to provide assistance to your team, especially with regard to the rehousing efforts, and also provide a key contact point for colleagues here so that the Mayor can be kept fully up to date without having to distract others. We have identified Andrew Williams as a suitable colleague. He is an extremely capable area manager in our north west London housing team which has responsibility for K&C, Westminster and other relevant boroughs, as well as the lead housing associations in west London, and he is ready to come over to join your team immediately.

Could you confirm that we action this today?

Thanks
