Dear all,

A few points below which we would appreciate some assistance with:

**1. Stakeholders**

Please can you provide us with a single point of contact to direct stakeholders to.

We are getting a huge amount of advice and suggestions from MPs and council leaders, we would like to direct the sensible stuff to someone on the ground

**2. Casework**

Sadiq met a number of residents of neighbouring buildings who are now in direct contact with us and raising specific housing needs/questions. We would like to put them in touch with the right person to help them.

Comments include people being told to return to properties without electricity/water.

**3. Team London**

Team London, the Mayor's volunteers programme, can quickly tap in to hundreds of volunteers. The contact here operationally is Laura Brown if you need more people to help. ([Laura.Brown@london.gov.uk](mailto:Laura.Brown@london.gov.uk))

James, please can you follow up as necessary on points 1 and 2 in particular.

Best,

Emma
