Thank you Phillip. We hope to see some grip put in to the BECC today so the reporting mechanisms should work properly. If you experience any problems do not hesitate to contact me on this email and I will report in to the London Gold arrangements that we still have problems on the ground.

The list of things that needed to be put in place and the requests for outside lighting etc have been fed in and I have copied my notes to Paul Najsarek.

I hope you have a rewarding day and thank you to you and Rupinder for getting so involved with such enthusiasm.

Regards
Eleanor

Good morning Eleanor & John

Thank you ever so much for your support yesterday - it did mean a great deal to us!

Moving on, Rupinder and I are on schedule to return within the hour - i'm on a train now.

We would appreciate some clarity on some contacts for where we go for securing services, escalating needs etc.

Apologies if this is being filtered down but from the getgo we (ealing) want to secure the goodwill built yesterday.

Many thanks Phil.
