

**TEAM ONE MODULE 6 OPENING ON BEHALF OF BINDMANS,
HICKMAN & ROSE AND HODGE JONES & ALLEN**

ERRATUM

Team One wishes to correct its Module 6 Opening Statement in light of disclosure on 3.12.21 (following service of the Opening) of the email exchange {CLG10008691} which indicates Brian Martin was invited to, and did, comment on the proposed letter from Brandon Lewis MP Gavin Barwell MP {CLG10008691}

The correction is as follows. Opening para 10.7, final sentence:

*"The letter in reply¹ was **sent to and commented on** ~~not, as normally would have been the case, drafted by Brian Martin. and it may therefore be that someone was trying to circumvent him, for reasons which are obvious, since he was clearly an unwilling party to reviewing the BR admitting to being "stale" (see par 2.6 above)".~~*
