

Continuing Professional Development Record

Name: Paul Hanson

Covering the period from: Sept 2014 - Dec 2017

Dates	Details of CPD activity	Effective Learning Time (hours) (at least 35 hours)	Learning Outcomes	How will this benefit you?	Further comments
2015					
Monthly	Institution of fire engineers magazine	3	Learning about current topical issues		
Monthly	ABE Magazine	3	Learning about current topical issues	Keep upto date with current thinking	
Monthly	Specialist Fire Protection Engineering magazine (SFPE Institute magazine)	3	Learning about current topical issues		
14/1/15	<ol style="list-style-type: none"> London Fire Brigade seminar - The GETAWAY project: an innovative concept for the evacuation in complex built environments. Paul Bryant, Kingfell & Prof Ed Galea, University of Greenwich. Building Services – Common Fire Related Errors and Issues. Presented by Ben Mossop, Senior 	4		Widening of knowledge – products and standards.	

	Building Control Officer, City of London District Surveyor's Office & Gary Daniels, Hoare Lea.				
22/1/15	London District Surveyors Association Fire committee meeting	4		Networking and influencing procedures and standards	
11/2/15	BSI fire resisting duct committee FSH/22/9	5	Current work involves revising BSI publications relating to Ductwork	Opportunity to influence national standards.	
15/10/15	London District Surveyors Association Fire committee meeting	2		Networking and influencing procedures and standards	
29/10/15	Association for Specialist Fire Protection (ASFP) Ducts and dampers committee meeting (TG6 working group)	6	Current work involves revising ASFP Grey and Blue books (referred to in building regulations guidance) dealing with fire protection to service installations	Opportunity to influence national standards.	
12/11/15	London District Surveyors Association Presidents reception	3	Networking	Contacts for sharing of knowledge	
		33 hours			
2016					
Monthly	Institution of fire engineers magazine	3	Learning about current topical issues	Keep upto date with current thinking	
Monthly	CABE Magazine	3	Learning about current topical issues	Keep upto date with current thinking	
4/2/16	Amending diagrams in ASFP	5	This is a joint project with	Sharing of knowledge	

	Blue books code for mechanical ventilation ductwork		a mechanical consultant who also attends the ASFP committee		
27/2/14	London District Surveyors Association Fire committee meeting	2		Networking and influencing procedures and standards	
18/4/16	Association for Specialist Fire Protection (ASFP) Ducts and dampers committee meeting (TG6 working group)	6	Current work involves revising ASFP Grey and Blue books (referred to in building regulations guidance) dealing with fire protection to service installations	Opportunity to influence national standards.	
20/5/16	Comments on BS 9999 (general fire safety code)	5	Provide public comments on draft for LDSA Fire committee	Opportunity to influence national standards.	
5/7/16	Amending Frequently asked questions for ASFP website	4	This involves making up questions which are frequently asked by practitioners in the industry	Sharing of knowledge	
3/8/16	Comments on draft DW 146 by Heating and Venting Association	4	Provide public comments on draft for LDSA Fire committee	Opportunity to influence standards.	
22/8/16	Network meeting with Fire Authority fire engineering group regarding industry standards for open plan flats and CFD modelling	4	Exchange of ideas and standards	Sharing of knowledge	
6/10/16	London District Surveyors Association Presidents reception	3	Networking	Contacts for sharing of knowledge	
13/10/16	Preparation of 'How people react to fire – Seminar' to Planning department	4	Preparing visuals and sequencing of technical material in a simplified form accessible for Architects.	Sharing of knowledge to internal department	

	Presentation of 'How people react to fire – Seminar' to Planning department	2	Presenting above material to audience.	Sharing of knowledge to internal department	
		45 hours			
2017					
Monthly	Institution of fire engineers magazine	3	Learning about current topical issues	Keep upto date with current thinking	
Monthly	CABE Magazine	3	Learning about current topical issues	Keep upto date with current thinking	
15/3/17	Association for Specialist Fire Protection (ASFP) Fire curtains committee meeting (TG7 working group)	6	Current work involves creation of ASFP 'Black book' dealing with the practical use of active fire curtain barriers.	Opportunity to influence building practice standards.	
2/11/17	London District Surveyors Association Presidents reception	3	Networking	Contacts for sharing of knowledge	
1 – 10/11/17	Prepared Means of Escape Essentials – Seminar for Reardon Smith Architects	4	Preparing visuals and sequencing of technical material in a simplified form accessible for Architects.	Sharing of knowledge to assist our clients	
16/11/17	Presented Means of Escape Essentials – Seminar for Reardon Smith Architects	2	Presenting above material to audience.	Sharing of knowledge to assist our clients	
27/11/17	London District Surveyors Association Fire committee meeting	2		Networking and influencing procedures and standards	
6/12/17	LABC CPD Requirement for Fire Risk Assessors – Video seminars re high rise buildings	2		Opinions on recent events	
		25 hours
