Subject: Grenfell Tower - sub contract

Morning Zak

In order to maintain programme, we need to place special dyes and bar length material on order by the end of the week.

As we stand, we only have authority for £30k design. We will either need an increase in the value of the LOI, or the sub contract in place as soon as possible please.

The approx value of metal and dyes is £325k.

Can you kindly confirm the latest position?

Many Thanks

Kind Regards
