Subject: [REDACTED] - Windows

Hi Ben & Ray

Please can you confirm when the windows will be fixed in [REDACTED] (& all other flats)

The resident is e-mailing the director at Grenfell about how long it's taken to fix his window - This does not look good for Rydon or the client

Please let me know ASAP

Kind regards

Dave

Subject: Repairs

Good morning

Could somebody please tell me when my kitchen window is going to be repaired it's beginning to drag on a bit now, but that doesn't surprise me in the least, also on three occasions over the weekend I had to go downstairs to allow visitors in as the inner entrance door to the tower doesn't work when I press the intercom button, just not good enough I'm sure you must agree.
