Dear all

I've received no further comments following the circulation of the draft representation last week. I will be dispatching the final representation to the Council tomorrow at 10.30am so if there are any further revisions or additions you wish to see please let me know by first thing tomorrow morning.

Dear all

As is inevitable with these sorts of things, please find attached a slightly revised draft following receipt of some brief comments from Francis. This has resulted in a new para 4.3 with deals with the relationship of the leisure centre and academy to Lancaster Green.

Francis is planning to publish the draft response on various community blogs and websites so people can see and use to provide their comments to the Council if they wish so I thought I would provide an updated version at this stage.

Any other comments by Monday please.

Regards

Anthony
