Subject: Noise and disturbance from [REDACTED]

Dear Carmelo and Steven,

What can I say I have no words left to express my anger and frustration when the noise, nuisance and disturbance from [REDACTED] suddenly waken us up 4:30am in the Sunday morning. This is disgusting, inhuman and I am very angry and frustrated. I am not sure Steven from Dexter and the landlords has made any differences to the dreadful situation and going on to deaf ears and I do not know what else to do!

I need to have urgent face to face meeting with both landlords in person if not I will get my lawyer involved. I need to highlight by pain and suffering at the temporary accommodation since 14th June 2017 to wider audiences and its seriously affected our health and well-being and we are quite distress and it has been going on for to long.

I wait to hear from you urgently.

Very best wishes
Mr Ahmed
