No mention of GTLA, "irony is nothings works in this world the way we think it does". They are all seriously documented.

when truth were told if the minority of one truth is still the truth and truth. Mad world.

Fire safety concerns raised by Grenfell  
Tower residents in 2012

[www.theguardian.com](http://www.theguardian.com)

Health and safety review found firefighting equipment at  
west London block had not been checked for up to four  
years
