Dear Cllr Rock Feilding- Mellen,

Thank you very much for your email and it was much appreciated.

I left the bundle yesterday before 5pm with the receptionist at civic desk. I requested an acknowledgement but he informed us that he will drop the bundle to your pigeon hole.

I can confirm you that it was clearly label your full name and address.

Very best wishes

Dear Tunde

I have been in Scotland on business most of this week and so have not yet been into the Town Hall.

However, I asked my PA, Rebecca (who is cc'ed), so check at Civic Desk this morning and they said there had been no deliveries for me...

Can you please confirm when exactly you dropped off this package, and whether you got the name of who you left it with? I presume the package/envelope was clearly labelled for my attention?

Kind regards,

Rock.
