Dear All,

Please find attached details and the thorough letter written to the council and the TMO. Hopefully the council and the managing agent TMO has no room for manoeuvre if they are reasonable towards us. We have a case. I have spent almost a week and half to prepare this. I tried my best to cover everything because this letter is long overdue. The council and the TMO must realise enough is enough.

As for shanti, please provide me with your full name and the flat number so I can add you to our list.

If I missed out any point need to address, please let me know ASAP. This mission we are trying setup must be collective afford, commitment and interest, because this is our sweat home and we care for it.

See you tomorrow at 7pm and any excuses can't make, would not be accepted.

Kind Regards

Shah
