Good morning Steven,

Further to our telephone conversation on Monday, I've spoken with Mr Ahmed regarding the possibility of the owner of [REDACTED] meeting with him. I explained to Mr Ahmed that although he lives in South Africa, sometimes he travels to the UK. Mr Ahmed confirmed that he would be pleased to meet with the owner if he is currently in London and available. We would appreciate it if you could speak with this gentleman in this respect please.

Mr Ahmed also spoke about a visit he is expecting from an elder relative from abroad. Mr Ahmed's uncle is visiting between 8 and 15 April – possibly staying with him on the 10 and 11 of April. In addition to ongoing concerns regarding the noise from upstairs, Mr Ahmed would like to stress the need for the neighbours to be made further aware as this relative requires peace and quiet. In this respect, Mr Ahmed is going to inform the neighbours' mother but I would be grateful if you could also kindly speak with them.

I will be on leave from this afternoon until 5 April. As always, thank you for your ongoing support Steven

Best wishes,
