Hi Yvonne,

OT ordered some equipment for Ms Lokko, to go to the hotel where she is staying, however the bath stool has not arrived. Can you assist with this please? If not can you sign post me.

Thank you,

Hi Sarah,

As discussed please contact Yvonne (details below) before you view properties so that OT can come along with your mum to ensure it is suitable.

Also, sorry to hear your mum was not up to going to the GP today. Please can you book her another appointment. I can support with this if you need me to.

Best wishes,
