Repair Details

What is the item that needs repairing located?: Bathroom

Information about the repair: The bathroom ceiling was recently removed to clear asbestos and so could it please be repaired (it is a small bathroom)? The taps of the bath have been leaky for years but were manageable. However now we can no longer stop the taps from leak possible to get a new bathtub with a shower as we have had ours for over twenty years and it is disintegrating with part of the side of the material falling off?

Thank you
