Subject: Damaged main entrance door and one of the side entrance door glasses were broken at Grenfell Tower.

Dear Nicola Bartholomew,

Please find attached picture of the broken glass from one of the entrance door at Grenfell Tower.

Could you please kindly confirm how did it happen?

As you said in your letter dated 23rd September 2016 that I quote “The entrance door at Grenfell Tower was recently damaged from, we believe, being propped open to allow free access to anyone”

If it is due to vandalisms and anti-social, as you may know the RBKC/KCTMO has invested 10m at Grenfell Tower along with Hi Tech 21st century CCTV camera installed just to prevent these kinds of incidents.

Could you please kindly also confirm to us that, you have successfully caught the culprit and taking necessary action? If NOT Why?

I wait to hear from you.

Kind regards

Tunde Awoderu
